2014 LMSdr Retreat a Success!

LIVE IT UP! Over 120 people attended the Retreat in San Francisco Oct. 30th - Nov. 1st. Sharon Anderson's taiko drumming group set off the event with lively energy. We had a "laughter workout." The presentations delivered important information on how to fight our LMS cancer and new methods to do it. We heard the most updated information on clinical trial drugs for LMS and the newest research being launched in the pathology laboratory of Dr. Matt van de Rijn's. Even the weather cooperated with the lovely sunset dinner cruise on the San Francisco Bay. What echoed all weekend was gratitude for meeting each other in person and the value of each other's support.

Prayer Flags from 2013 Retreat

Since our first LMS Retreat in 2013 at Copper Mountain in Colorado, the prayer flags have become a heartfelt tradition. Members decorate the flags and we hang them to let our wishes and hopes float through the air.

If you'd like to send one to the 2016 Retreat in NY, use any color cotton fabric, 9" X 5 1/2" with a 1/2 inch hem. Finished size is 8 1/2" by 5 1/2"
